

Client's Name _____
 Dog's Name _____
 Breed _____
 Female Male Desexed: Yes No

Date _____
 Place of meeting _____
 Assessor _____
 Buddy _____

The purpose of this visit is to assess the dog's suitability for the mindDog process.

- We are looking for a happy, well balanced dog.
- Examine if there is a good team bond.
- Explain the next steps and the access rights once the vest and ID arrive.

To reduce client anxiety, these notes are to be filled out after the meeting has concluded.
